Birth Photography

{ CONTRACT }

Thank you for inviting us to photograph your upcoming Just Born Session!

Your Just Born session includes:

- 1 hour daylight photography session sometime within 48 hours after birth
- Hi-res printable CD of edited images (mix of B&W & Color)
- Sneak peak blog post

Our “Just Born” lifestyle sessions are held within the first 48 hours of your birth – during daylight hours – at the hospital, birth center, or at home. They are similar in style to our birth photography – unposed and natural. Our goal is to capture you and your baby totally soaking in the first precious moments (meeting siblings or other family members, first bath, breastfeeding etc.) while emotions are still high and everything is brand new.

PAYMENT & LOGISTICS

The total for your Just Born session is \$350

- a non-refundable \$100 deposit is required to secure your due date
- the remaining payment is due the day of the session

“It’s Time!”

Please contact us as soon as you are either at the hospital in confirmed labor or as soon after the baby is born as possible. Please don’t wait too long after the baby is born to let us know, or you run the risk of being discharged before we are able to make arrangements to get there.

TERMS & CONDITIONS

Cancellation

Since the timing of births is so unpredictable, we cannot guarantee that we will be able to make the birth. If neither Melanie or Kelly can make it (due to unforeseen reasons such as illness, weather, etc.) all monies paid will be applied toward a newborn session with one of us or you can choose to have a full refund instead.

If we cannot provide coverage as a result of your actions or due to circumstances beyond anyone's control, all monies paid will be applied toward a newborn session with one of us. Examples of this include, but are not limited to: failure to provide adequate notice of the baby's birth; an unexpected transport for a c-section; a dramatic change in the birth plan.

If you decide to cancel our services for any reason, please let us know at least 30 days before your due date. Your initial deposit is non-refundable in this case, but any other monies paid up to this point will be fully refunded.

We take the utmost care with respect to the post-production and delivery of all photographs. However, in the event that we fail to comply with the terms of this agreement due to any event or act which prevents the delivery of the photographs from the birth, our liability to you is limited solely to a refund of all money paid.

Copyrights

We reserve the right to use any image for display, publication, or other purposes, however we will honor any requests by the family for using, or not using certain images when necessary. With this birth package you will receive a copyright agreement that allows you to reprint any images for personal use. You may not sell these images or use them for any commercial use without the written approval of the photographer.
